### The Heart and Soul of Telluride: You

The Telluride Film Festival is a combined effort of thousands: the participating filmmakers, 800-plus devoted staff and volunteers, and generous financial supporters including passholders, individual donors, corporations and foundations.

With the help of these contributions, we conjure ten state-of-the-art theaters and bring the best and brightest talent in cinema to one of the most breathtaking mountain towns in the world. The Festival provides life-changing experiences for American and international filmmakers, high school and college students, and an audience of all ages, backgrounds, and disciplines in an atmosphere far away from film industry hype, where the love of movies can be enjoyed freely. Additionally, upon its completion, we will continue to offer year-round programming for the local community with a schedule of first-run films, as well as foreign and independent screenings, at the Nugget Theater.

There are many ways to support the Festival. Your contribution can be fully tax-deductible, or you may choose to receive benefits such as Sponsor Passes and invitations to Special Events. Join the Show Ring with a multi-year commitment; become a Film, Tribute, Education, or General Support Sponsor; or contribute to the Endowment Fund. If you would like to ensure that the SHOW will continue for years to come, become a part of the Legacy Circle by remembering TFF in your estate plans. And if you'd like to help the Festival settle into our first home, please consider a contribution to The Nugget Project. After 51 years of renting the Nugget Theater, we've purchased the building and have embarked on renovations, the creation of an education space and an artist-in-residence program. Your support helps make this decades-long dream come true.

For more information, please call (970) 708-4009 or email:
